Last Day of school – 17<sup>th</sup> December

### Arncliffe Kindergarten Transition Excursion Sea Dragon Room MONDAY 17<sup>th</sup> September

Please comment on excursion post on Kinderloop to give your permission.  
Your child will not be allowed to leave the premises without this authorisation

We have introduced a wood working station in the yard so that the children can develop their hand/eye coordination, their ability to take turns, develop their awareness about safety and risk and develop the capacity to engage with tools, in the real world. We are asking for donations of small nails, that the children can use to nail with. We thank you in advance

Please remember to pack a jumper or cardigan for your child. The warmer weather is on the increase but there are still times that they need the extra layer of warmth.

Thank you
